Guidance: An Aid to Future Plans

Whatever is your ambition for the future, the Guidance Department, composed of Miss Douciere and Mr. Pankey, probably has a brochure describing the field. These counselors help students decide what vocation to choose, which college to attend, and how to apply for scholarships. Only after graduation, as the students begin to make their own way in the world, can the help of the counselors be fully appreciated.

KATHRYN DOUCIERE: B.S., M.Ed., Louisiana State University. Counselor for juniors and seniors.

HARRY PANKEY: B.S., Northwestern State College; M.Ed., Mississippi College. Counselor for freshmen and sophomores. Interact Club.

The Library: A World of Learning

ALICE A. GUYTON

The library facilities have grown with the school and now contain a very wide selection of books. Beyond the doors of the library lies the promise of informative volumes for those staggering research assignments and for book reports. As head librarian, Mrs. Guyton helps students locate materials for reports and projects. The library has many different types of books for those students wishing to read merely for enjoyment.

While others *laboriously* poured over their studies, Glen St. John found the camera more interesting.

thy Vines and Biff Hill tried to see the relationship of ideas during their study subordinate clauses.

Invading the English Department, one is struck by a conglomeration of nouns, adjectives, and dangling participles mixed inharmoniously with stories ranging from the bizarre tales of Poe to the hilarious compositions of Thurber. Misspelling and messy handwriting are the students' contributions to the scene. It is the task of determined teachers to bring order to this chaos and teach what some students seem to think a foreign language — English.

English I concentrates on the basics of English, which are needed by students to go on to higher skills. English II teaches the student a variety of types of literature. English III undertakes the study of American literature. English IV surveys English literature and teaches the student the correct form for writing.

Neville's highly versatile Mathematics Department is an excellent example of the progressive movement of modern education. Logic and reasoning power are the requirements for success in mathematics. The study of mathematics is valuable to a student primarily because it teaches him to think for himself. Self-reliance and a sense of achievement are the rewards one earns when he solves a "tough" problem. A complete range of subjects from elementary arithmetic up to functions is taught. It provides an up-to-date challenge for the inquisitive and intelligent student . . . and gives him a background that he will later find invaluable.

Science in an Age of Discovery

How is it possible to predict the path of an electron? How does an amphibian differ from a vertebrate? What do all acids have in common? Every day Neville students are confronted by similar questions in the labs, experiments, and lectures. Experimental work encourages independent and creative thinking on the part of science students who learn to apply the scientific method of thinking to everyday situations. In the field of science, a complete range of studies, complemented by a well prepared faculty, and adequate facilities motivate the high school student here to explore on his own . . . to consider the sciences as a profession . . . to realize his place in a world of technology.

Political, economic, and social problems are dealt with in social studies courses. Furthering the students' knowledge of governmental structure, history of the United States, and American economy are some of the goals of the Social Studies Department. All students are required to take American History and Civics. World History, American Government and Economics, and World Geography are offered for those students who wish to obtain a further knowledge of Social Studies. Not only is history of our state, country, and world presented, but also, through this learning, students are prepared to lead the world awaiting them just beyond graduation.

Foreign Languages Encourage Cultural Exchange

MARGARET D. TAYLOR

Mastery in the speaking of a chosen language is not the only goal of the Foreign Language Department. It also strives to help the student understand the culture and customs of the respective countries. Included in the Foreign Language Department are Spanish, French, and Latin. In Latin students learn case, structure, tense, and mood, which will help them understand English because this language is based on Latin. Second year Spanish students become acquainted with the subjunctive mood. By listening to tapes in the French lab, students can perfect their pronunciation and accent.

English is still a foreign language to us. How can we ever master Spanish?" These students, however, did not use this excuse; they finished all the exercises with perfection.

Silhouetted in the afternoon light, Mrs. James worked late as she listened to oral tapes in the language laboratory.

A healthy mind and a healthy body are fitting companions. Physical education provides an outlet for much of that energy high school students have. The basic aim in physical education is to educate the student through a variety of wholesome and interesting activities which will contribute to the physical, mental, and social development of the individual. Physical education teaches both health and sports in the course of one year. Football is one of the favorite activities of the boys' classes. Among others are basketball, volleyball, dodge ball, and various other exercises. Each nine week period brings a different and more exciting activity to the girls taking physical education. Speedball, tumbling, square dancing, basketball, volleyball, and various other sports are taught in physical education.

The many sounds of business are heard daily as one walks through the Neville halls. Typing, shorthand, bookkeeping, and clerical practice prepare students to enter the business world immediately upon graduation. In Bookkeeping I the student develops the fundamentals required by a bookkeeper at the beginner's level. Students who are really interested in going into accounting in later life have the opportunity to take Bookkeeping II. One masters office duties not included in other courses to train him for clerical jobs in clerical practice. In typewriting a student learns typewriting techniques that enable him to become a highly skilled typist. Shorthand often is the key that opens the door to business opportunities.

BERNICE OWEN HICKMAN

Miss Johnson called the class' attention to several concepts before students began a new practice set in bookkeeping.

"Typewriting is not so bad," thought Woody Jackson, "as long as the keys don't get all stuck together."

With the help of Mrs. Hickman, Paula Zagone makes use of practice as a means of developing speed and accuracy.

As a class project a group of Home Economics I students decided to prepare boxes of canned goods, toys, clothing, etc., to be taken to a needy family. Helping to prepare the boxes were Christine Moore, Pam Cannon, Jenny Robertson, and Lori Wright.

Skill in the fundamentals of homemaking is the aid of the Home Economics Department. Students taking home economics acquire the knowledge not only in sewing and cooking, but also in child care, careers, and personal grooming. One highlight of the year is the annual style show in which the students model their own creations. Knowledge gained in home economics' courses will be useful throughout life.

"Music and rhythm find their way into the secret places of the soul," said Plato. Neville's active Music Department gives performances which prove this statement. Playing and singing at school activities are important functions of the Music Department. An excellent Christmas program was a result of the collaboration of the chorus and orchestra. The pep rallies are made lively and memorable by the band. Neville boasts of its chorus, band, and orchestra. Nina Harris, Joe W. Caskey, and Roger DiGiulian are responsible for directing and presenting music programs which both the school and the community enjoy. The purpose of music is to give pleasure to the listener, and everyone agrees that Neville's music does just that.

Art: A Tool of Communication

Art courses help to encourage the student in the development of creative expression. Fundamentals of art, proportion, color harmony, and balance are learned as students travel through all of art and crafts. A true appreciation of line and color in the world develops in the art classes. Various types of drawings, paintings, and other such work become student projects throughout the year. Talents are shared with other schools as some of the students enter their work in the Columbia Art Festival and the Monroe Art Association.

Activity, creation, manual dexterity — these are all characteristics of the woodworking shop. The well-equipped woodworking shop gives boys a sense of accomplishment. By learning to use power saws and compress drills, the boys in the wood shop take home many objects of their creation. In studying to be an architect or an engineer, students are advised to take Mechanical Drawing. It is an art of drawing buildings, objects, and lines precisely to scale.

Reading is a developmental course in that students are taken at their own reading level and progress from there. The special reading course uses such techniques as SRA reading laboratories, and certain teaching machines. It is a non-credit course taken voluntarily for one or both semesters. Reading stresses comprehension over speed — a fact which most people do not realize.

Neville Elected Vice-President of LASC

The Student Council, as usual, was one of the most active clubs at Neville. To start the year off right for the Freshmen, Council members helped at orientation. Activities such as a patriotic assembly, the clean-up campaign, Teacher Appreciation, and the talent show were continued. Each month the Student Council presented a Neville student the Student of the Month award for his outstanding contributions to Neville. As a service for the teachers the Student Council maintained a bookstore which sold paperbacks for English classes to study. To brighten the cafeteria, the members mounted pictures which represent different phases of Neville. The powder puff football games, which pitted the freshman girls against the sophomore girls and the junior girls against the senior girls, raised needed money for such projects as the Student Council Scholarship. Delegates attended various Student Council conventions. At the L.A.S.C. convention in Alexandria, Neville was elected vice-president for the year. In February the Student Council held a workshop for members of the various clubs at Neville. The workshop, whose theme was "Let's Work Together" stressed more and better participation in all clubs and better relationships between each club and the student body.

Forming the Student Council ladder were Jimmy Scruggs, President; B. Huenefeld, Vice-President; Ellen Mintz, Secretary; Doug Liles, Treasurer; Bates, Parliamentarian; Mary Mintz, Historian; Holly Heuer, Chaplain; and Riley, Reporter.

Laying the foundation for the junior class were representatives Mary Mabray, David Hilley, Susan Sartor, C. Rivers, Charles Salisbury, Bethia Brown, Kathy Whaley, and Jeannie Cannon.

One of the traditions at Neville is honoring one student each month for outstanding achievements. Tommy Grigson was among those selected for Student of the Month.

Smiling in anticipation, senior representatives Mary Ann Hart, Ellie Crawley, Jan Ethridge, Bruce McDougald, and Teresa Herlevic were ready for a tremendous year.

Debbie Kalil broke away from her opponent to score a touchdown in the powder puff football game.

"Let's Work Together" *Theme of Workshop*

Ann Shelton, Betty Heuer, and Cindy Williams enjoyed the Organizational Workshop dinner.

Serving the student body for the first time were freshman representatives S. J. Cicero, Pat Gallagher, Jane Zentner, Trey Hamilton, Doug Peterson, Becky Bingham, and Richard Mulhearn.

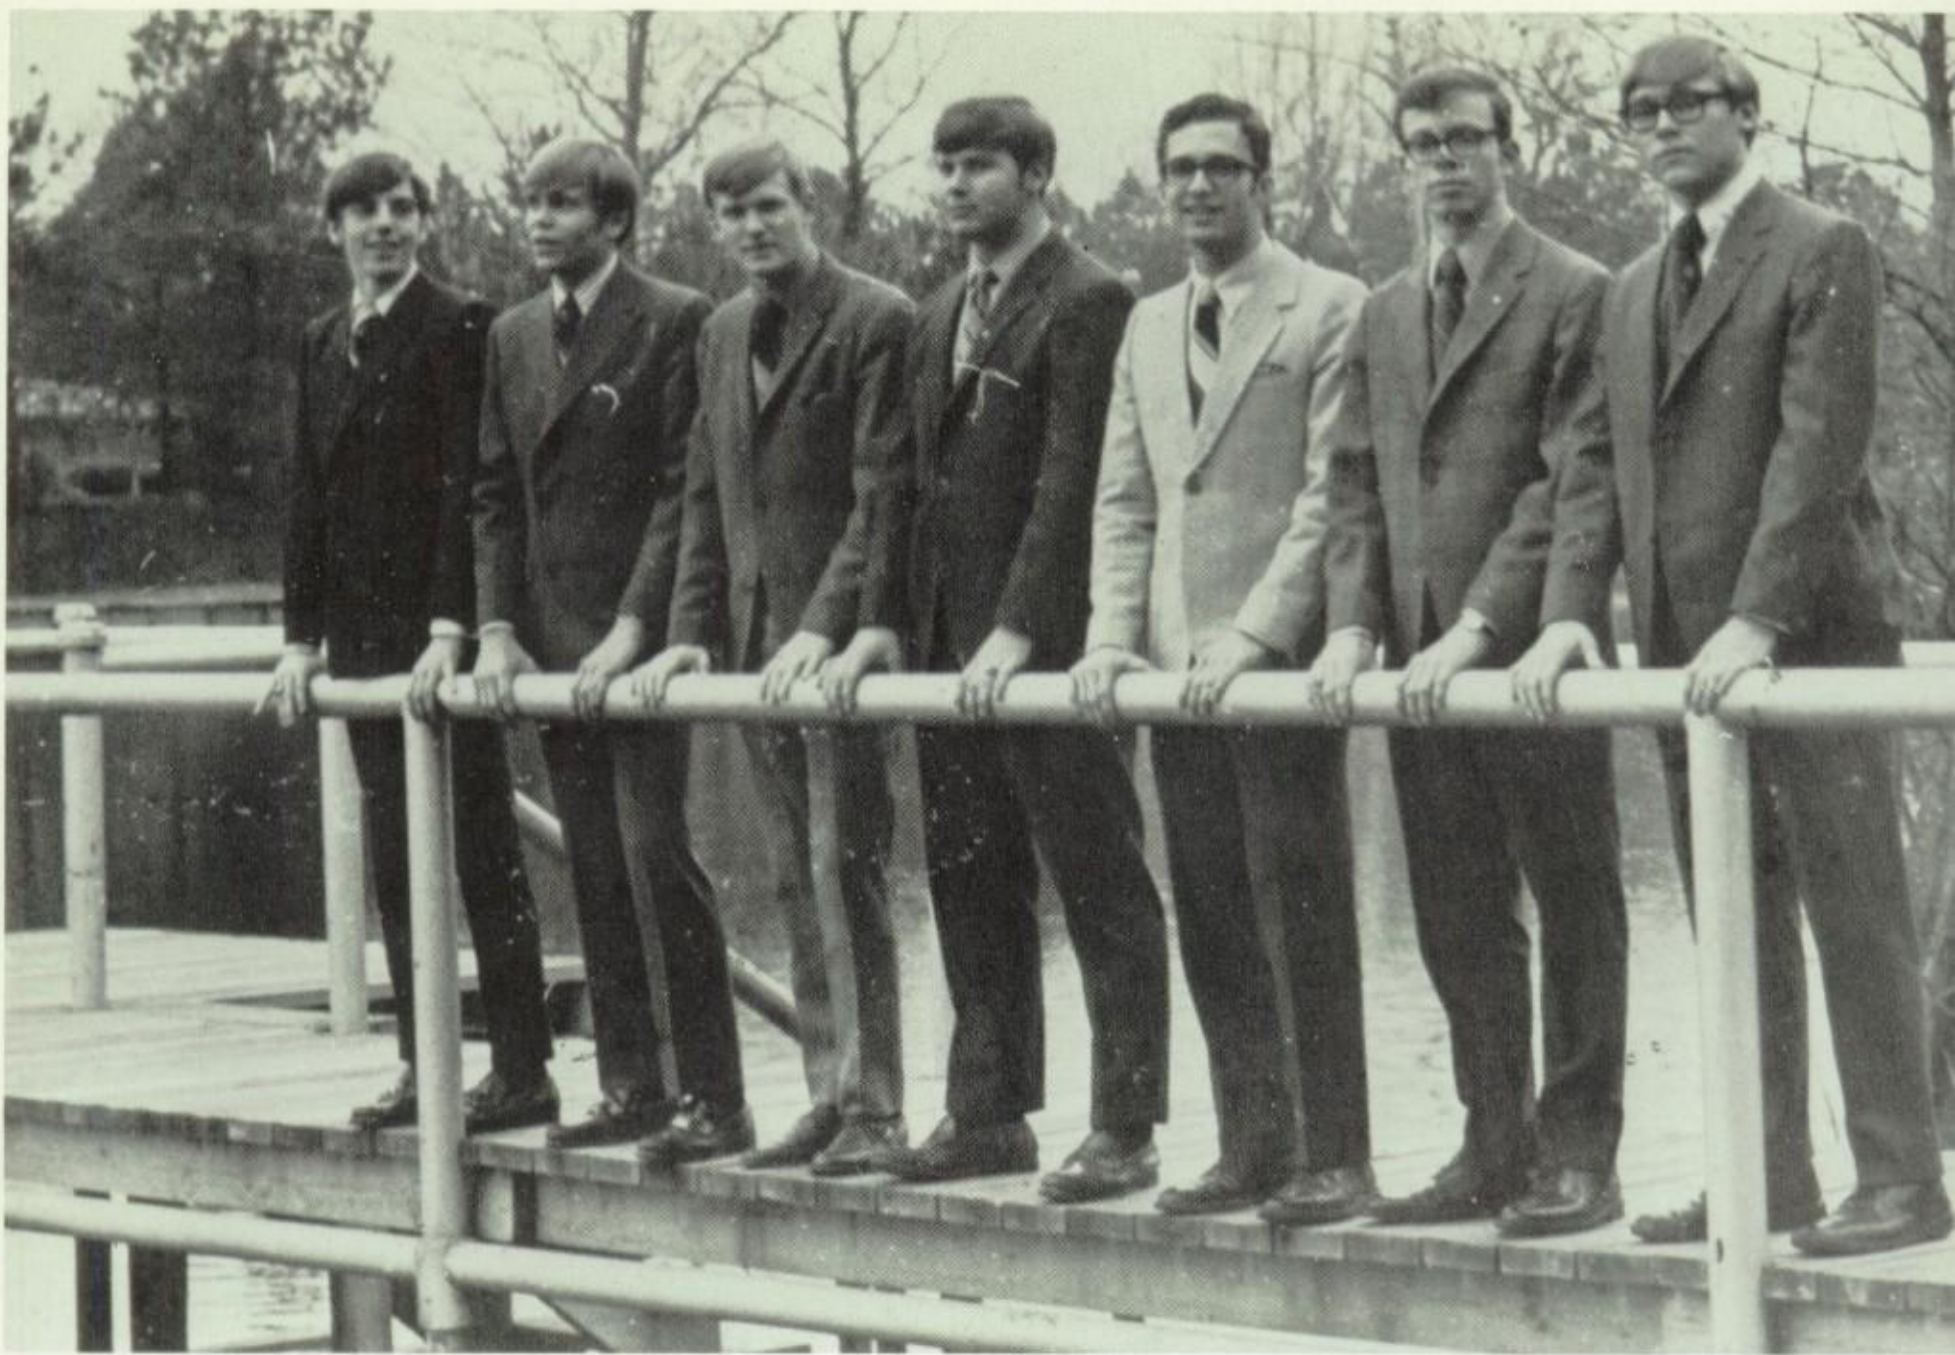

Essential elements to the Student Council were sophomore representatives Anita Bonin, J. D. LaDart, Bob Brown, Ann Shelton, Robbie Marx, Wally McMakin, Cindy Williams, Corbin Amman, and Betsy Holmes.

The Inter-Club Council, sponsored by the Student Council, enforced the quality point system. Members, who represented various clubs were,
 FIRST ROW: Lesley Beckstrom, Mary Mintz, Patsy Hammonds; SECOND ROW: Bruce McDougald, Alice Haynes, Becky Huenefeld;
 THIRD ROW: Alfred Bartlett, Jimmy Scruggs.

The Student Council helped sponsor an auction to raise money for a Neville student whose house burned.

Senior members acting as ushers at home football games were Bruce Mickey, Doug Liles, Blount Armstrong, Joe Reljac, Roger Jones, Ralph Hick and Bill Smith.

Joe Reljac collected for the March of Dimes on the street drive.

Key Club Prints and Distributes Weekly Menus

Sponsored by the North Monroe Kiwanis Club, the Key Club serves the school and community and aims to develop initiative, leadership ability, and good citizenship practices. The Key Club served Tigerland in many ways. They distributed weekly menus of the bill of fare in the cafeteria and cared for and changed the marquee in front of the school. The American flags in each classroom were another gift of the Key Club. Trash barrels were placed on campus to aid the cleanliness and beauty of the campus. Each week two members attended the luncheon meeting of the Kiwanis Club. On Kiwanis Pancake Day the Key Club members visibly helped their sponsors. The group supported the March of Dimes and the Heart Fund. Every Friday the members wore ties to set an example for underclassmen. At home varsity games the Key Club ushered Tiger fans and sold football programs.

Planning the projects for Key Club were, FIRST ROW: Russell Bates, Secretary; Holly Heuer, Sweetheart; Bill Riley, Vice-President; Lyle Miller, Sergeant-at-Arms; SECOND ROW: David Hilley, Parliamentarian; Bruce Dougald, President; Charles Salisbury, Treasurer; and Larry May, Chaplain.

The Key Club helped the Kiwanis Club on their annual Pancake Day. Members helping were, FIRST ROW: Sam Carso, John Braddock, Edward Milner; SECOND ROW: Arthur Vingiello, James Murphy, Andy Cale, George Carso, Joey Deney; THIRD ROW: Les Tarver, Mike Porter, Bob Seegers, David Bates, Tom Whatley, and Harlan Sager.

Interact Club Directs Traffic at Home Games

The Interact Club this year worked toward meaningful community service. To finance their projects, the members, in conjunction with the Key Club, sponsored a dance during the Christmas holidays. The Interact Club served Neville by transporting Shasta to all the pep assemblies and all home football games, directing traffic at home football games, and participating in the campus clean-up. The community service projects of the Interact Club included street drives for the Cystic Fibrosis Foundation, the March of Dimes, and the Heart Fund. Members also sold candy and soft drinks during the intermissions of concerts held in the Neville auditorium.

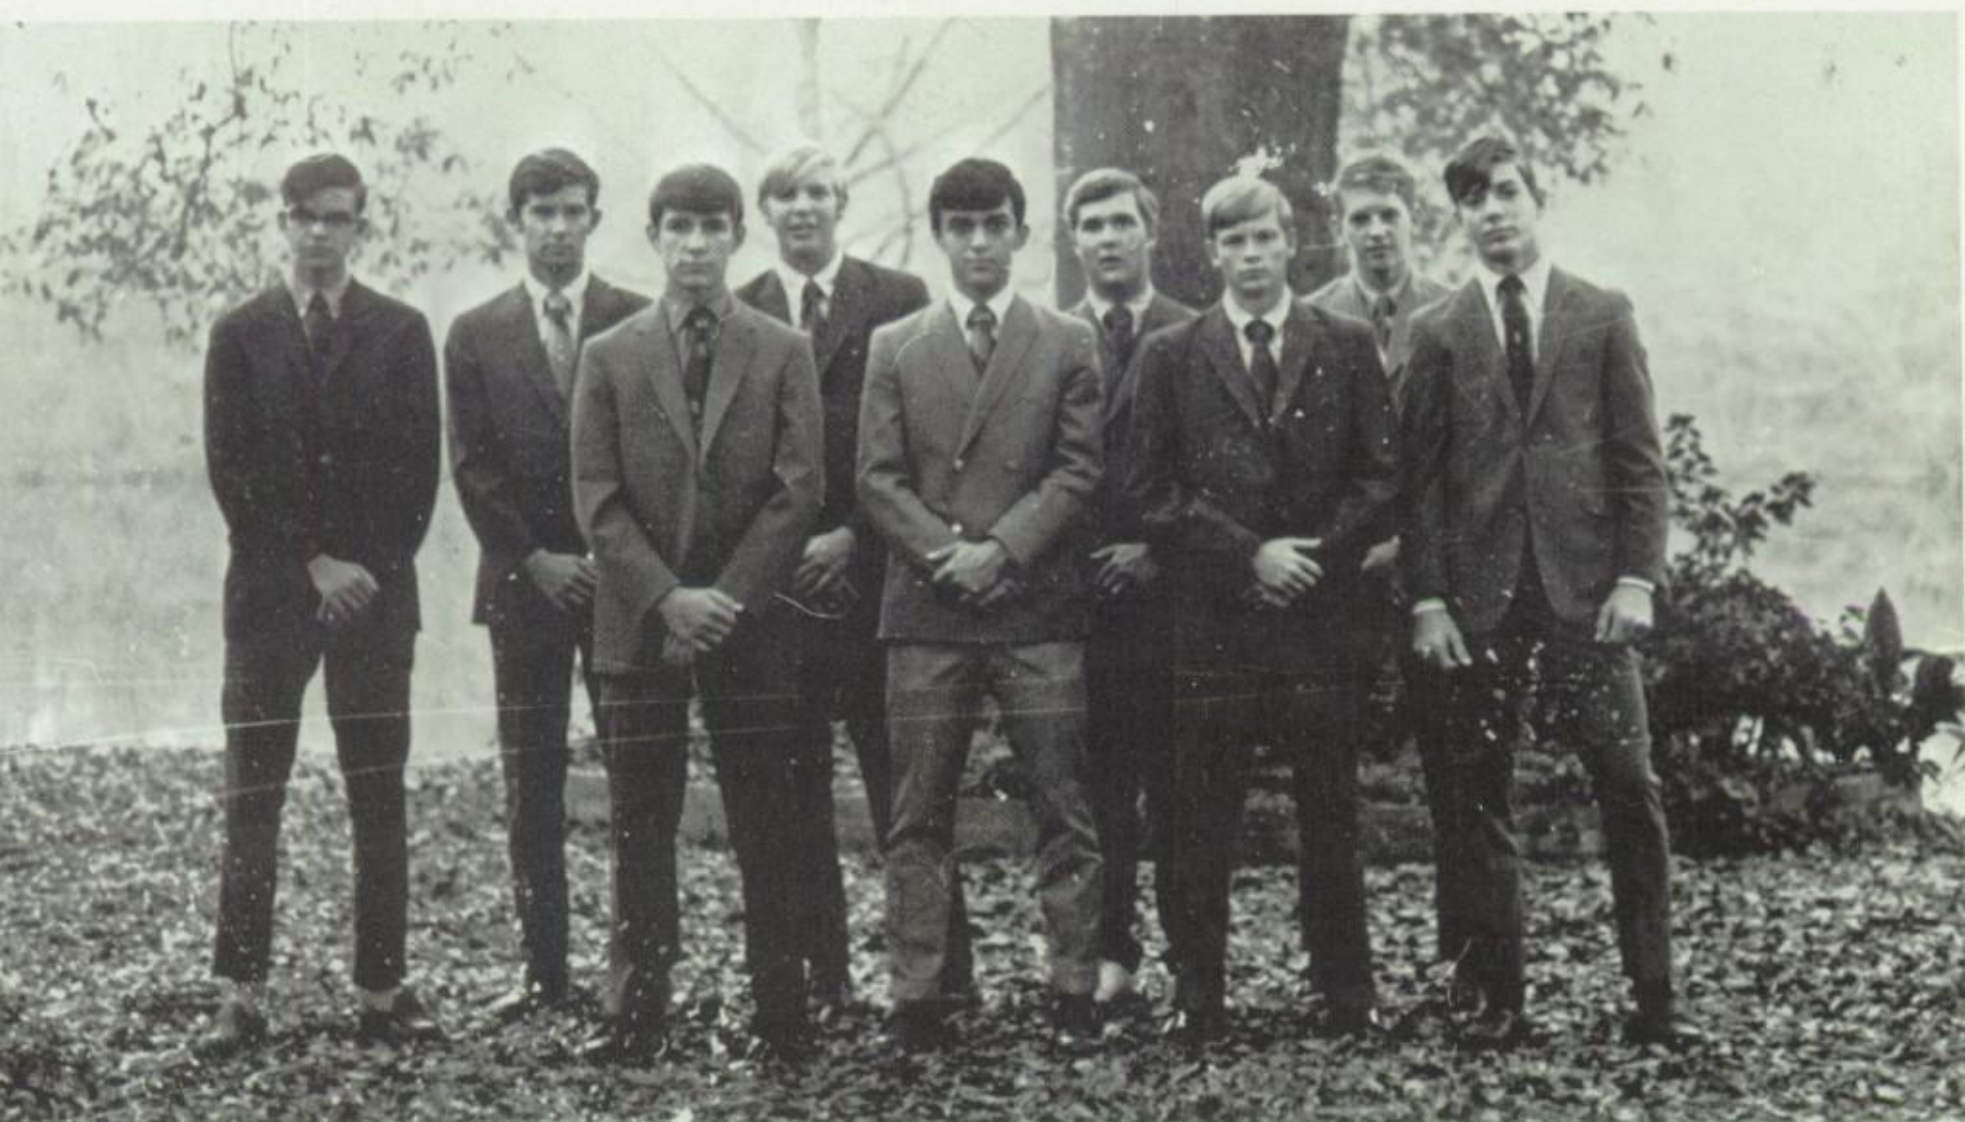

Interact sponsors were Linda Usrey, Jeannie Cannon, and Elaine Henry.

Making plans for the Interact-Key Club dance in January were Interact officers Kyle Jones, Secretary; Tom Hayes, President; George Pate, Vice-President; Joe Davis, Treasurer; Jimmy Pate, Board Member; Harry Courtman, Board Member; Mike Ryan, Parliamentarian; Chris Trimble, Chaplain; and Robert Shelton, Board Member.

Jeannie Cannon distributed initialed mugs to the faculty.

Participating in the campus clean-up were junior and senior members Junot Dixon, Dickie Raymond, Steve Pearce, Doug Dawkins, Buddy Jackson, Matt Houser, Woody Jackson, Curtis Smith, and Dhu Thompson.

Bengal Belles Add to Tigerette Spirit

The Neville Tigerettes and the fabulous new drill team, the Bengal Belles, performed during halftime at all football games and bolstered the spirits of the football team and the basketball team during their games. The annual moneymaking projects, selling calendars and magazines, financed the senior Tigerettes' trip to Florida and trips to out-of-town games. To pay for the trip to Bogalusa for the state playoffs, the Tigerettes gathered many items for a successful auction. The Bengal Belles performed for various civic organizations and charitable projects.

Sizzler Voices *Student's Opinions*

The *Sizzler*, edited and published by the journalism students, voiced the opinions and views of the student body. It also recorded events of importance and interest to the students. This year the staff sold ads to finance the paper.

Elaine Henry, Copy Reader, and Linda Leibowitz, Editorial Editor, reviewed the latest edition.

Feature Editor Lesly Sherman stapled papers folded by Cyndee Perdue, who was in charge of make-up.

Editor Debbie Hamilton admired the ad section with Business Manager Ric Wade.

Monroyan Captures Year's Highlights

The annual staff at Neville was founded in 1921. The name, the *Squeedunk*, referred to the sound of the whistles of the steamboats on the Ouachita River. In 1932, when Monroe City High School became Neville High, the name was changed to *Monroyan*.

Each year a tremendous amount of preparation goes into the publication of the *Monroyan*. After the theme and cover design have been chosen, layouts must be drawn and pictures planned. Write-ups, headlines, and captions must be written, typed, and proofread. Photographers have to be at every school function to take pictures. Negatives then are developed, and pictures chosen, printed, and dried. Although each person is assigned a specific section, every staffer must contribute to all sections in order to produce a superior yearbook. As deadlines approach, staff members spend many hours overtime. Publishing the yearbook requires many trips to the newspaper office and visits to professional photographers. A staff member must be present to direct the taking of every picture.

Last spring, the staff attended an all-day workshop at NLSC. In June, three staff members — Sharon Reeder, Susan Alexander, and Kaye Smith — attended a five-day workshop at the University of Southwestern Louisiana. They started the year right by winning the second-place trophy for the best-planned yearbook.

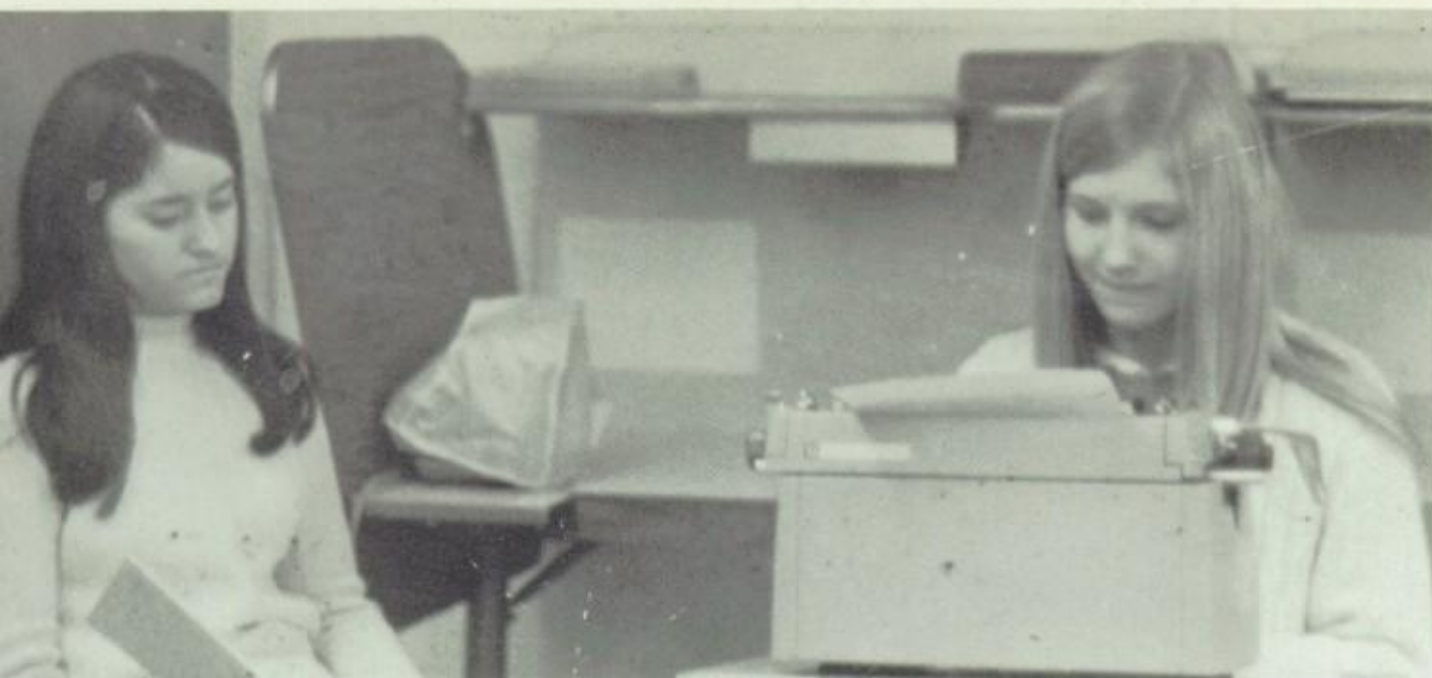

Editor Kaye Smith beamed as she packed the last section of the *Monroyan* to be sent to the publishers.

As business manager, Sally Kilpatrick controlled the ad sales.

Carol Allen and Susan Alexander were responsible for organizing the index section. One of their most tedious tasks was typing the index.

Great assets to the annual staff were Maggie Charlton and Becky Walker, who worked on all sections.

Planning and drawing layouts for the favorites section and organization section were Sharon Reeder and Karen Roberts.

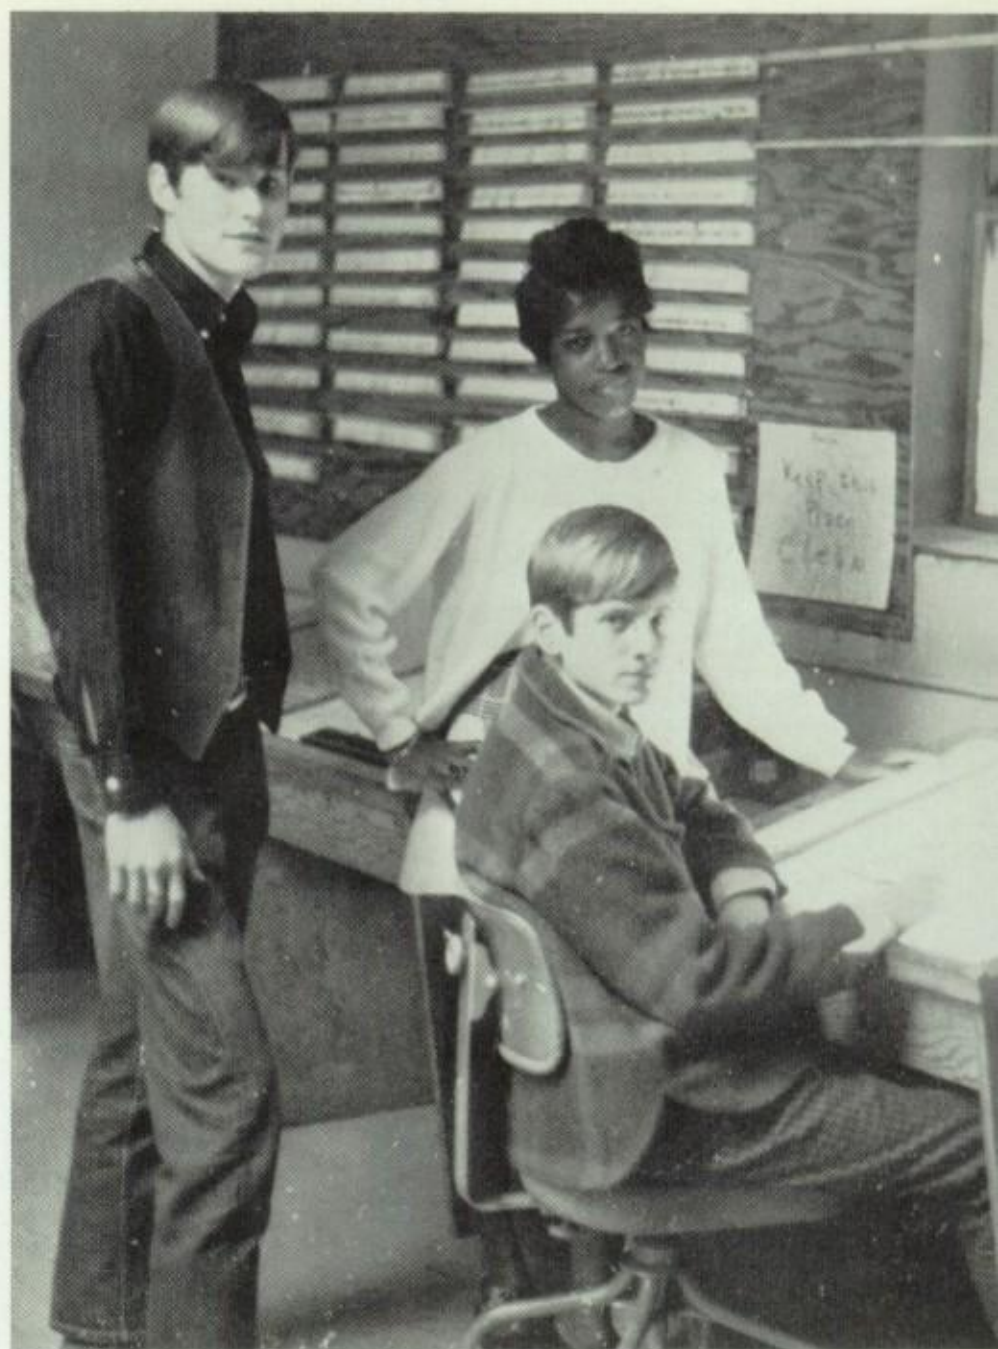

Sports editor Louis Harkey single-handedly prepared the football section and basketball section.

Marlene Hanks and Kathleen Witty selected negatives for the faculty section.

Publications Department Prints Thousands of Tickets

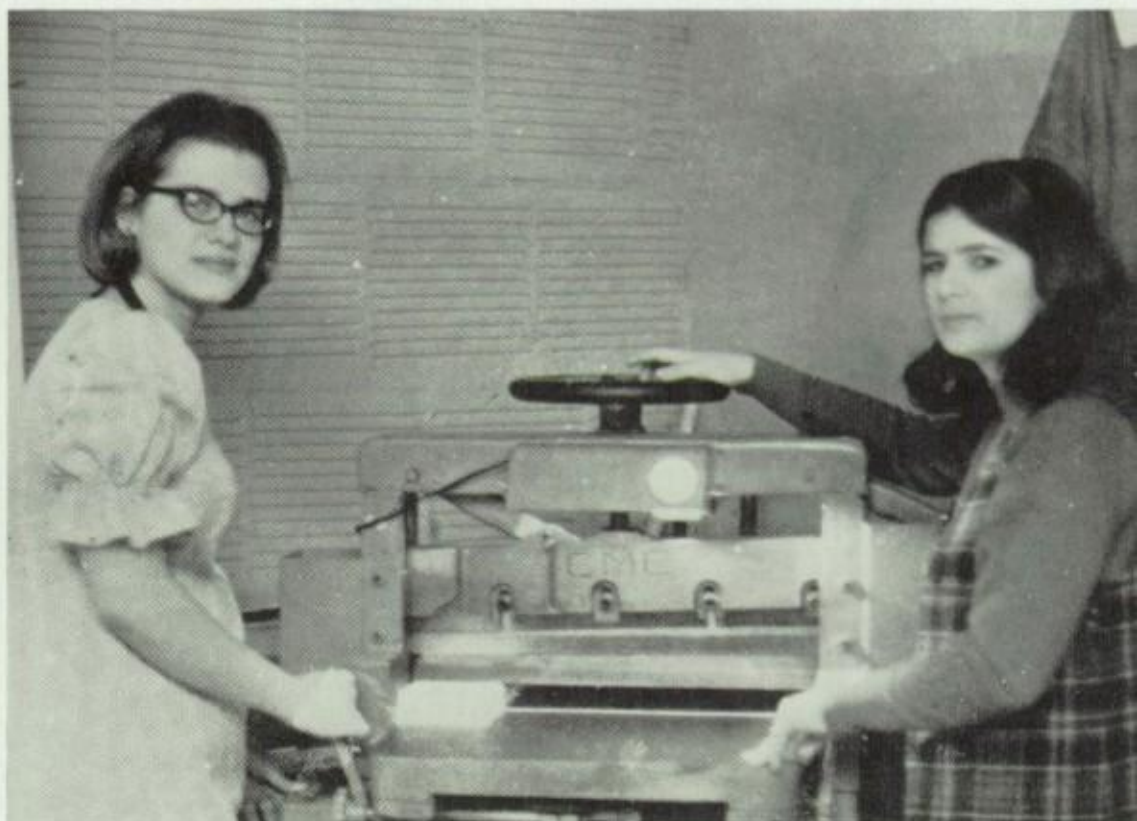

The Neville Publications Department, under the direction of Mr. McCarty, undertook the duties of a professional printing shop. The staff worked diligently for many tiring hours to produce football programs, report cards, school forms, school stationery and tickets for various performances such as the orchestra concert. Besides printing for Neville, the department worked for other schools in the city system. Students who worked on the staff gave up many hours of their free time to complete the printing tasks.

Jeff Wells, Jennifer Hamilton and Clay Oakley checked layouts on the light board.

Phyliss Scalia and Kit Burkley set the press.

Linda Duchesne and Linda Ditta prepared the paper cutter.

Darkroom Staff Works Round the Clock to Meet Deadline

Working many hours after school, on Saturdays, and during the holidays, the Darkroom Staff proved to be of vital importance to the *Monroyan* Staff. Every picture used in the yearbook had to be arranged, taken, developed, printed, and sometimes enlarged by the members of the photographic department. Although only four boys worked on the Darkroom Staff this year, they managed to meet all deadlines and complete all assignments.

Photographer Larry Jones mixed chemicals for developing pictures.

Calvin Johnston dried prints needed for the yearbook.

Safety Council Members Serve on Juvenile Jury

The Safety Council, as in past years, gave tickets to students who had violated parking regulations on campus. Also, once a week four members served as the judge, lawyers, and jury in Monroe's juvenile court to present a teenager's point of view in cases involving teens. This year the Neville Safety Council attended the Louisiana Youth Safety Conference to gain new insights on traffic problems and to broaden their knowledge of traffic enforcement.

Members of the Safety Council really put their heart (and muscles) into their work. Straightening the sign in front of the annex were Bruce McDougald, Mary Mintz, Patsy Hammonds, Sam Carso, Blount Armstrong and Mary Mabry.

Brenda Hamilton ticketed a student parked in a teacher's space.

Attending the state Safety Council Convention were Susan Sartor, Secretary; Mary Mintz, President; and Blount Armstrong, Vice-President.

Coordinating the sale of first aid kits were Marana Buttita, President; Georgette Banks, Secretary-Treasurer; and Mary Albright, Vice-President.

Red Cross Sells First Aid Kits

The Junior Red Cross, sponsored by the local chapter of Red Cross International, is a community service club. A member of the Neville Red Cross attended the Red Cross Training Center to learn more about the functions of each local club and new money-making projects. As in the past, the Red Cross made and filled ditty bags which went to servicemen overseas. Following the disaster of hurricane Camille, the local representatives gathered food and clothing to send to the victims. A total of forty-five dollars was collected at Neville in enrollment for local projects. Neville Red Cross members also made Christmas stockings for a party held in Alexandria at the Veterans' Hospital.

The Latin Club started the year with spirit by sending several delegates to the National Convention in New Orleans during the summer. The club encouraged interest in classical languages by inviting guest speakers to give stimulating talks at monthly meetings and by sponsoring an annual Latin Week in the spring which sought to familiarize the student body with the importance of Greek and Latin influence. The club also served the community by caroling for retarded children at Christmas. Members enjoyed the annual initiation banquet and the State Latin Club Convention in Shreveport.

French Club Corresponds With Students in France

The French Club worked toward a general goal of increasing student interest in the French language, culture, and customs. Each month *Le Cercle Francais* held a meeting with a program directed toward more interest in French. The highlight of the year was a trip to South Louisiana to visit small creole communities. The French III students also planned a visit to Baton Rouge to attend a play produced by the National French Theater. Several members also corresponded with French students. The Christmas meeting honored Mrs. Taylor, the former sponsor of the French Club, and a student from Calais, France. To finance their projects the French Club sold Tiger book covers.

FHA Sells Miniature Stuffed Tigers

The Neville High School FHA worked toward two fundamental goals: "strengthening bonds within the family and community," and helping youth comprehend the problems of society and contributing to their solutions." To accomplish this, the club invited several guests to speak on teen problems and attended the district FHA meeting at which a Neville member was elected District Historian. In an effort to raise money, the FHA planned a spring style show, with members modeling clothes of their own design, and sold stuffed tigers to the student body.

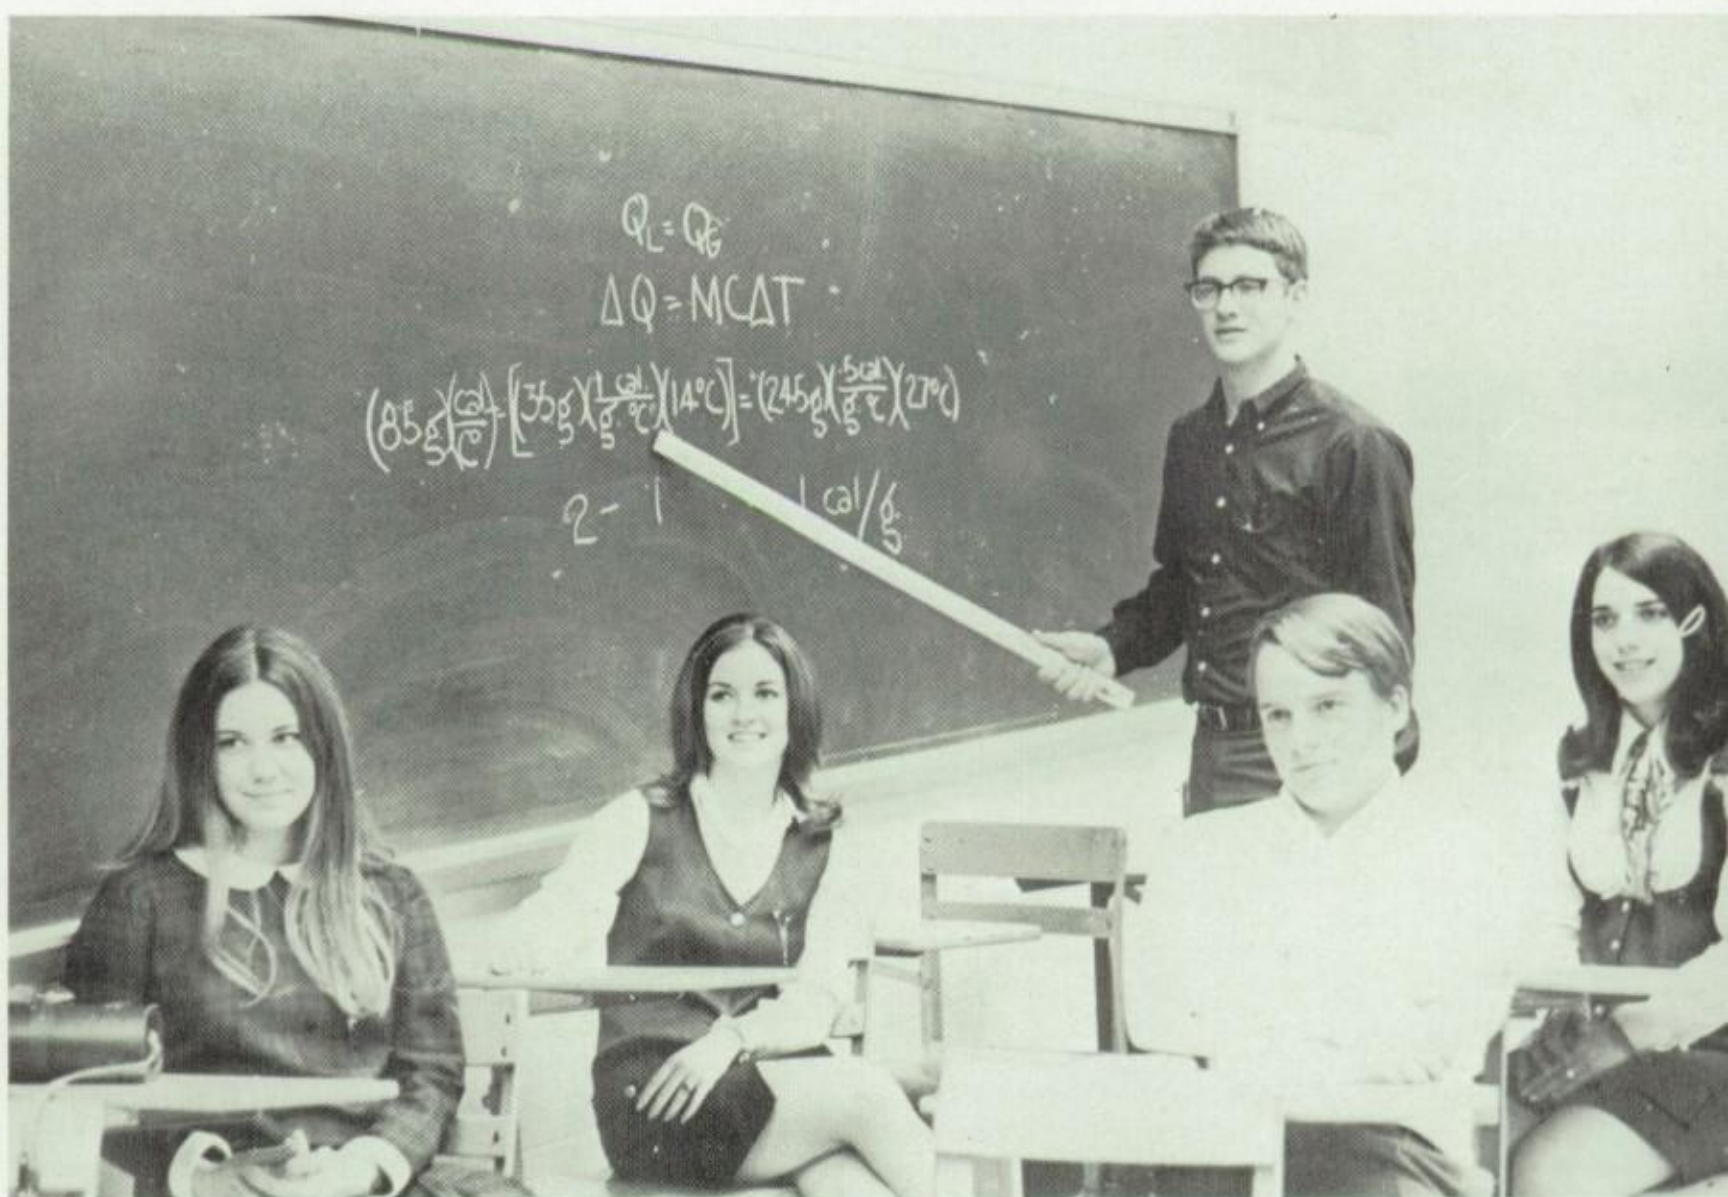

Attending the district FHA meeting at which Ramona Viola was elected district Historian were members, FIRST ROW: Mary Ellene Owens, Mary Burkhalter, Anita Bonin, Monica Scalia, Tommye Sue O'Donnell, Gaye Eason, Debbie Gabel, Martha Lolley; SECOND ROW: Pat Henry, Elaine Cox, Nora Hoodemaker, Wanda Thrower, Vicki Nettles, Barbara Beasley, Janet Haygood, Jeanne Wright, Beverly Richmond; THIRD ROW: Sandra Buckley, Pattie Reljac, Kathy Leon, Lesly Sherman, Peggy Stone, Jo Ann Slocum, Gay Faulk, Ramona Viola, Beth Taylor, Susan Stanley, Margaret Taylor, Theresa Anderson; FOURTH ROW: Pam McLeland, Alexia Lodgen, Dorinda Brunson, Judy Sampognaro, Lisa Boggs, Kay Wilkinson, Carol Garrett, Mary McBride, Carol Deney, Gail Barber, Krista Fields, Debbie Hardy, and Cathy Davis.

Dr. Holstead Presents Cryogenics Demonstration

The Science Club supported and encouraged all scientific projects and endeavors by members of the club. Various films and guest speakers informed participants of new developments in the field of science. This year, Neville's club held combined meetings with the Science Clubs from West Monroe, Ouachita, and Sterlington. FCA — Neville's Newest Organization

The national purpose of the Fellowship of Christian Athletes is "to confront athletes and coaches, and through them the youth of the nation, with the challenge and adventure of following Christ and serving him through the fellowship of the church and in their vocations." The newly formed chapter of FCA at Neville serves as an arm to strengthen and assist the church and its youth program. Members, led by Sam Dickens, held monthly meetings at which the Bible was read and religious discussions were held. The Neville FCA is a product of commitment and diligent effort used to strengthen the church, school, community, and nation.

Spedo Kokinos controlled the spotlight for stage performances.

Stage Crew Coordinates Assemblies

Behind the scenes at every school function was the stage crew who were responsible for the lights, curtains, microphones, and sound effects. Without the stage crew, no assembly would have run smoothly. They were of invaluable help backstage during the talent show and speech department play. Their service should be greatly appreciated.

Gary Maxwell, Chuck Harris, and Steve Kinney deciphered the confusing maze of switches.

Speech Club Reveals Varied Talents

This year the Speech Club, led by President Patsy Hammonds, doubled its efforts to present an outstanding play in the spring. "Pillow Talk," a huge success, was representative of the work of the club. Participation by members increased also in the preparation and presentation of the annual Christmas assembly and of the Student Council talent show. Speech clubbers attended various speech and debate festivals throughout the state. At the Awards Banquet, Mrs. Blanchard, sponsor of the Speech Club, presented awards such as "Outstanding Speech Club Member" and "Best Actress" to several members on the basis of their oratorical skill and enthusiastic support.

Y-Teens Carol at Area Nursing Homes

The Y-Teens, a national teen service organization affiliated with the YWCA, served our community with various projects and programs during the year. This year, Neville Y-Teens caroled at Christmas time for several local nursing homes and made party decorations for a retarded children's class. Among the group's social projects were a cookout, a skating party, a Christmas dance, and a parish-wide Mardi Gras Ball with several Neville members reigning on the Mardi Gras court. Other parish-wide Y-Teen projects in which the Neville club participated were a Leadership Conference and a trip to Six Flags over Texas. Through its varied programs, Y-Teens teaches its members leadership and responsibility in serving the community as good citizens.

Neville had a booming start for the new season by overcoming West Monroe 20-7 in the annual Jamboree. Bill Riley recovered a fumble to set up the Tigers first touchdown, and Sam Dickens carried the ball across the goal. West Monroe scored its only touchdown after running back a Neville punt. After the opening kickoff of the half, the Tigers rallied for the second score with Sam Dickens blasting over from the one. Scotty Dyer ended the last drive as he sprinted ten yards for the touchdown.

The Junior Varsity was defeated 12-6 while the Freshman team scored twenty-four points with the Rebs scoring no points.

As was the case many times, the Tigers were forced to strive for that little yardage.

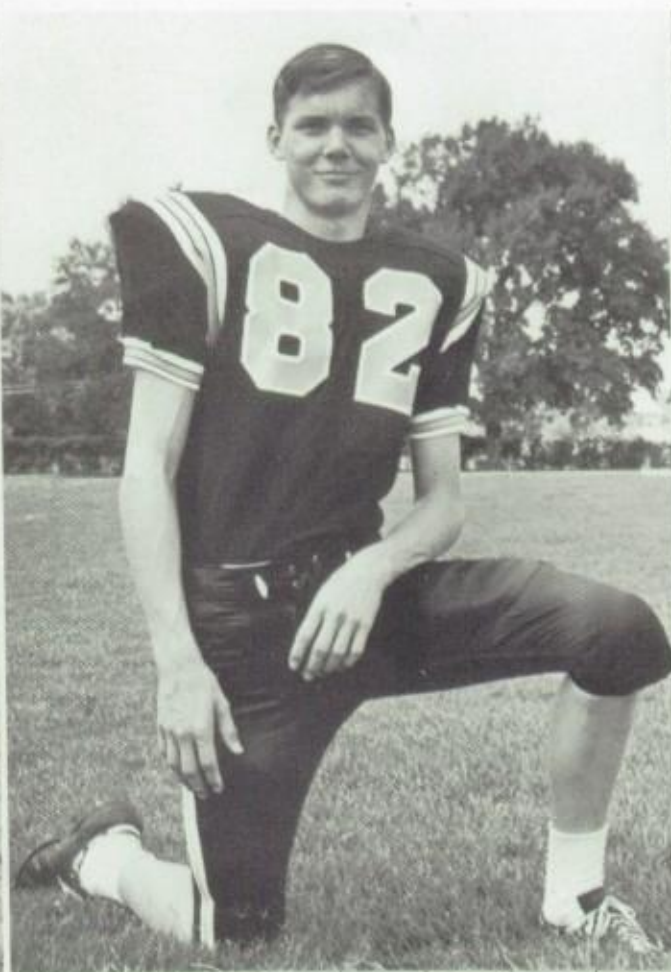

Tigers Open Season With Double Victory

Rain and darkness failed to discourage the faithful Tiger fans, who urged the team to a 22-6 victory over Jonesboro Hodge. Opening the game, Sam Dickens scored the first touchdown after a seventy-yard drive. Big Russell Bates recovered a fumble at the seventeen, and again Sam Dickens punched across the line for a score. During the dismal third quarter Mike Porter scooted the ball across the goal line for the third touchdown. The secondstring finished out the remainder of the game losing only one touchdown to the Jonesboro-Hodge Tigers.

Andy Cale helped end a drive.

Neville's Defense Was the Name of the Game

Neville's defense, scoring ten points itself, battered the Byrd Yellow Jackets for a 32-6 victory. Neville's first opportunity with the ball led to a touchdown by Scotty Dyer around the right end. Soon after, Robert Coats blocked a Byrd punt putting the Tigers into position for a successful Dyer to Porter pass for the second score. Before the half the Yellow Jackets launched a mighty drive for their only score. Joe Southwell scored the Bengals' first touchdown of the third quarter after blocking a Byrd punt. Sam Dickens ended a sixty-four-yard drive by punching across the goal from the three-yard line.

With nothing to be ashamed about, the Tigers put up a fierce battle to lose by only one point to Fair Park. Neville, starting off very slowly, gave up two touchdowns to Fair Park in the first of the game. Sam Dickens, finally showing some fire in the team, charged thirty-seven yards for the first touchdown. The Bengals' second big break came when they recovered their own punt. This alertness led to a second touchdown by Dickens. A twelve yard punt by the Indians set up the third Tiger score. Mike Porter blasted across the goal line for the final score. Soon after, the Indians scored their final touchdown to give them a one point lead which they held until the end of the game.

Coach Childress, along with the other coaches, supervised the pre-game exercises of the Tigers, such as Russell Bates and Joe Southwell.

Tiger Spirit Stayed on Top

Neville combined a solid defense with a piercing offense to overcome West Monroe 20-0. The Tigers opened the game by scoring after the recovery of a pair of Rebel fumbles. The Bengals recovered a West Monroe fumble on the opening kickoff and drove forty-one yards for the first touchdown. Robert Deal scooped up a West Monroe fumble and sprinted forty-five yards for another touchdown. The Tigers returned after half time only to battle with the Rebs with no significant gain of yardage. The fourth quarter was a different story with Steve Cranford scoring on a nine-yard pass from Scotty Dyer. Neville held this lead until the end of the game.

Tigers Glide Over the Tide

The 1969 Homecoming game turned out a smashing victory with the Tigers crushing Minden 35-7. Russell Bates set up the first touchdown when he recovered a fumble for the Tigers followed by the forceful drives by Sam Dickens and a one-yard run by Mike Pittman for the score. The second score came when Sam Dickens raced down the right sideline, avoiding two defenders and rambled in for the touchdown. Minden finally got in the swing after the half with a mighty drive put down by a Rusty Brown interception. Sam Dickens came through again with a five-yard gallop for the Tigers third touchdown. Minden finally scored by taking advantage of a Neville fumble bringing the score to 22-7. Bruce Mickey hauled in a Tide pass and easily scooted across the line for a score. Rusty Brown, intercepting his second pass of the night, set up the final touchdown with a Dyer to Deal pass for the score.

Manager Joe Worley moved to assist those Tigers coming off the field.

Neville was upset 20-16 by the Ruston Bearcats to bring their record to 1-1 and upped Ruston 2-1. After battling the first quarter with no score for either side Scotty Dyer faked a pass and then headed for the endzone. Ruston returned only to break out with an eighty-two-yard run for a touchdown. This score was followed up by another giving Ruston 16 and Neville 8. Neville regained the lead with a Dyer to Causey pass in the third quarter, but early in the fourth period Ruston ran back a Neville punt to score the last touchdown of the game.

Kim Crow was stopped short by the Ruston defense.

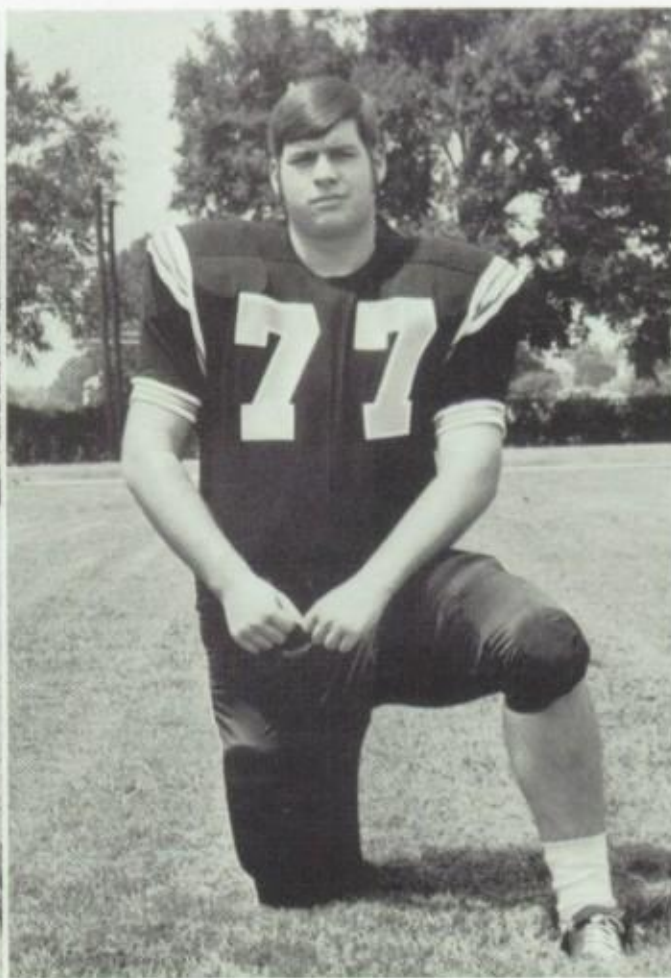

Bengals Come Back Strong After Ruston Defeat

Neville's victory over Bastrop put them in a first place tie with Ruston with only one game left to play in the regular season. A recovery of a Bastrop fumble launched the Tigers' first drive, which was ended when Sam Dickens rammed over from the one. Bastrop returned to tie the game at the end of the first quarter, but the Tigers only fought to take the lead again. They marched seventy-six yards with Dickens scoring a second time. Mike Porter scored the third touchdown, and Brad Way caught a pass for ten yards and the last touchdown. The Rams finally came through with another score just before the end of the game with a final score of Neville 28, Bastrop 12.

A Bastrop Ram was hauled down by a Neville defender.

Tigers Whip Old-Time Rival

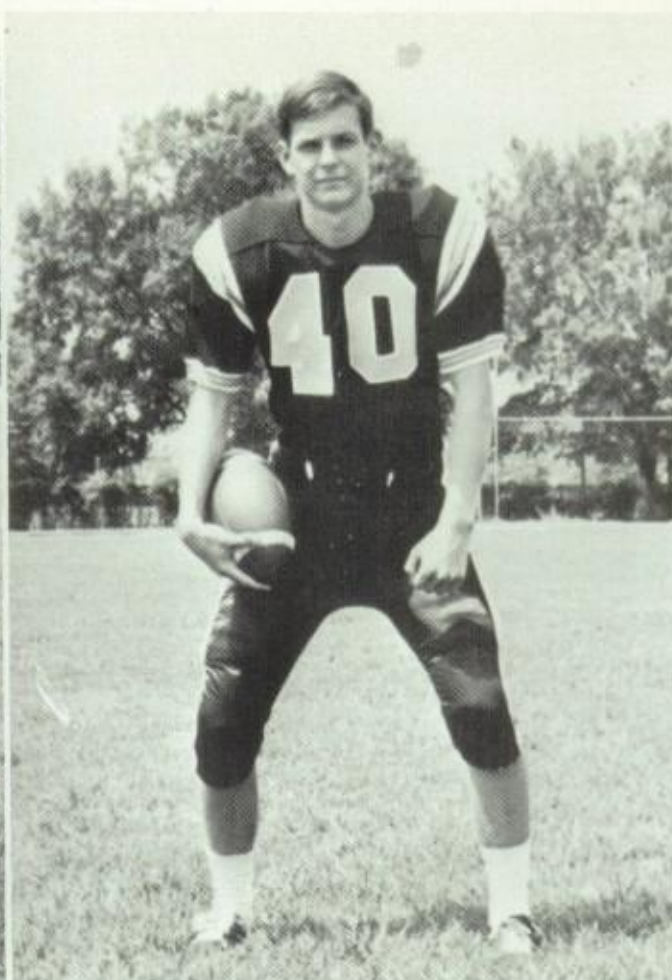

Neville spilled the Ouachita Lions, 16-8, to become 1969 7-AAA Co-Champions. After a scoreless first quarter the Lions drove for their first touchdown, but the Neville spirit was too great. The Tigers charged back to tie the game at the half as Scotty Dyer dived over the goal. The final score came when Scotty Dyer connected with Kim Crow, who was downed at the one. Tom Whatley plowed through the line for the touchdown.

Moving in on the Lion runner after a teammate had slowed him down were Joe Southwell and David Smith.

Tigers Sutter Defeat in AAA Championship

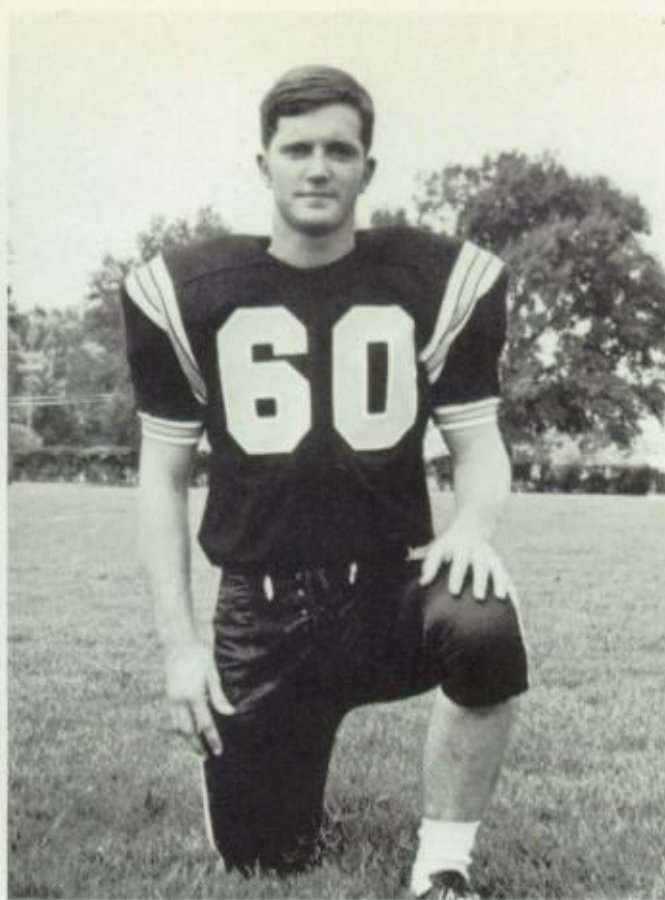

Neville was overrun 36-0 by the Bogalusa Lumberjacks. The Bengals were given a beating during the first three quarters as the Lumberjacks moved the ball at will. They scored two touchdowns in both the first and second periods. At the beginning of the third quarter the Tigers yielded the last touchdown and held Bogalusa for the remainder of the game.

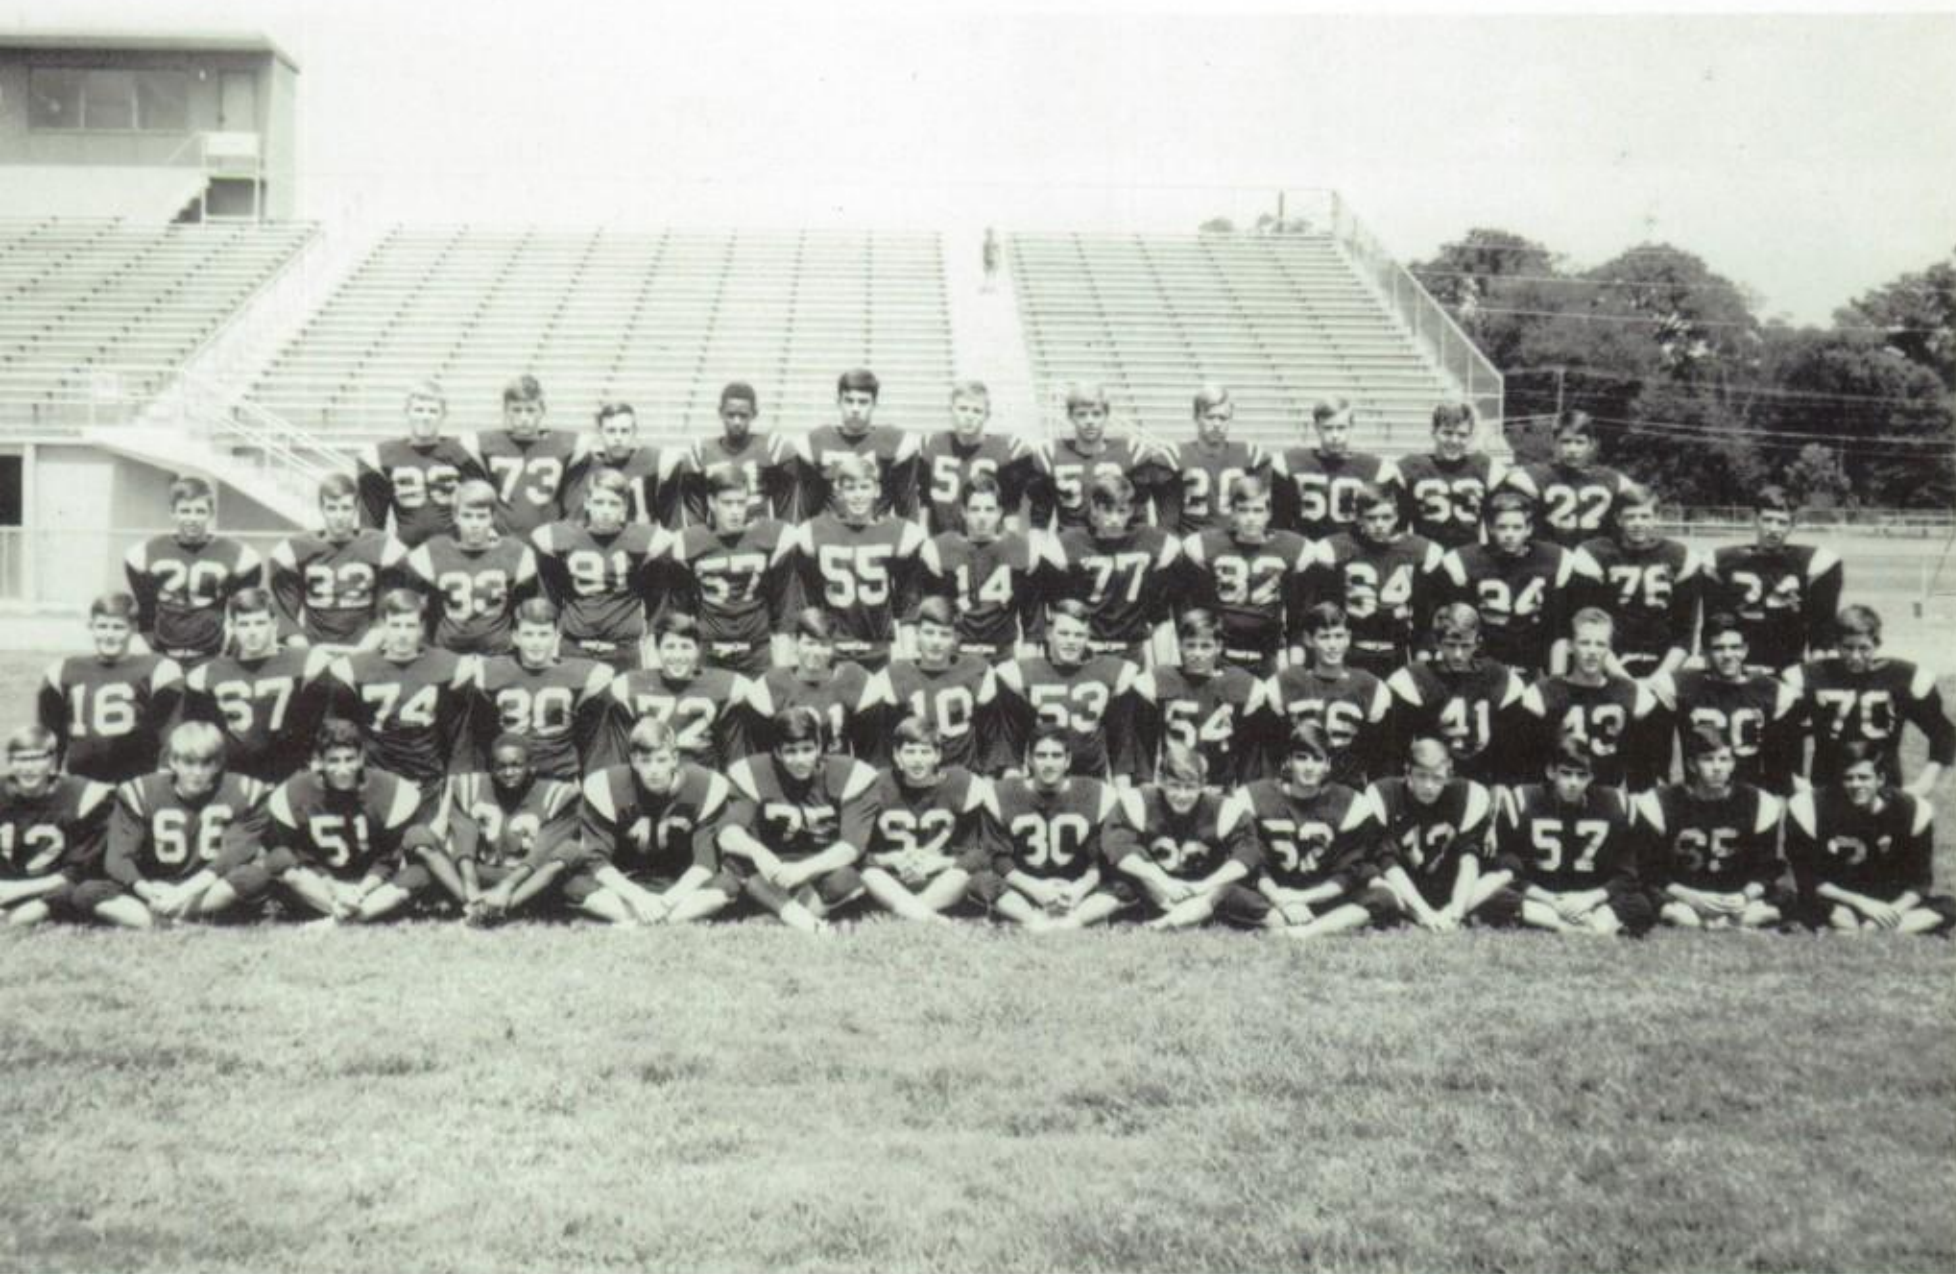

Tom Whatley was racked up at the line.

Cheerleaders Assume Year-Round Job

Thanks again to the fantastic cheerleaders who urged the student body to an unusually high peak of spirit. With eagerness the faithful six worked with their endless job, displaying their true Tiger spirit. Their job, beginning with summer camp and ending with the training of new cheerleaders, was year-round. During the year they invented new cheers, dance routines, and spirit gimmicks besides just leading the assemblies.

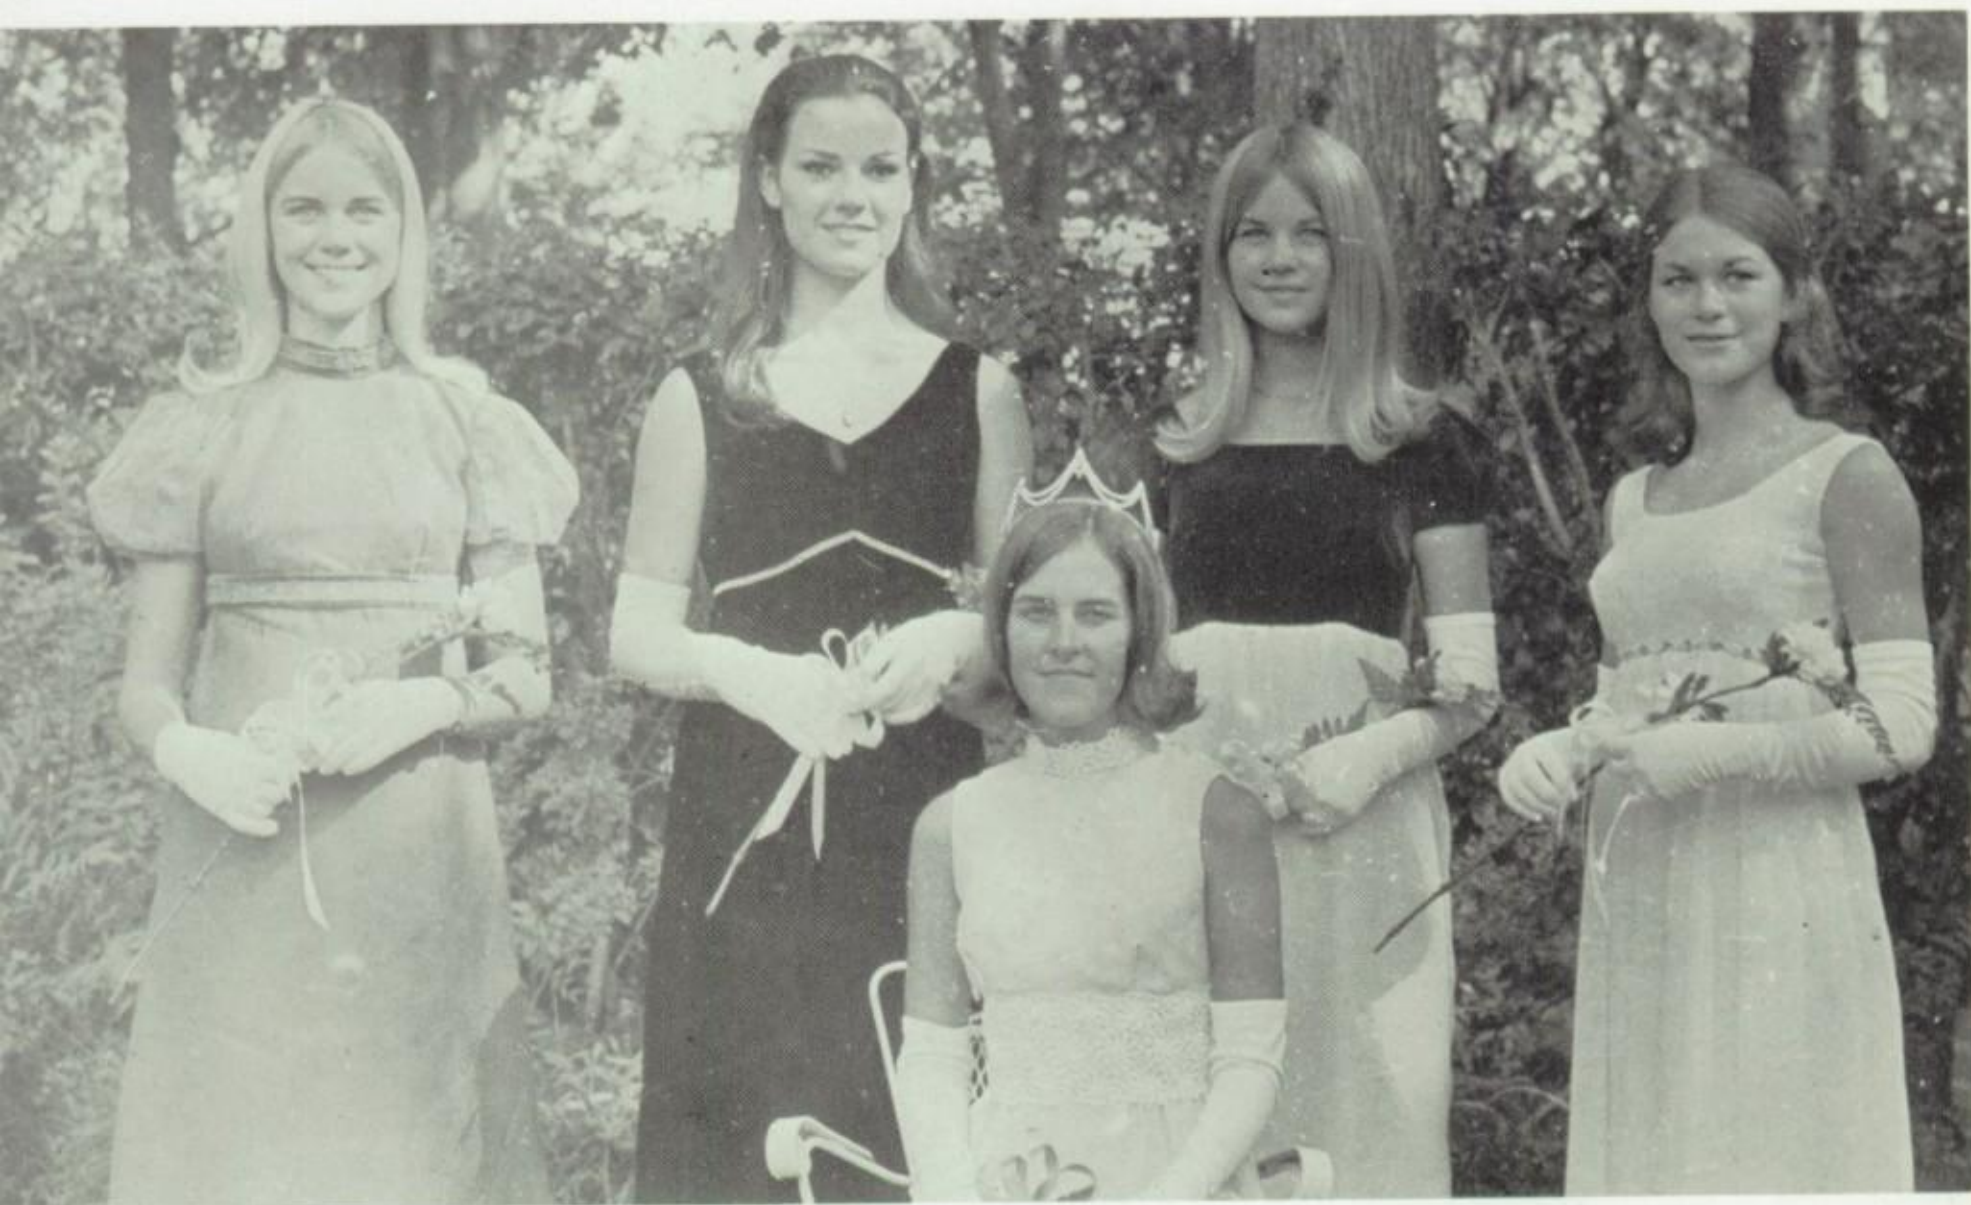

Working diligently and whole-heartedly to support the great Tiger team were Ellie Crawley, Linda Usrey, Rebo King, Cindy Liner, Teresa Herlevic, Holly Heuer.

Jenny Robertson, who reigned over the 1969 homecoming activities, was honored with a victory over Minden.

Homecoming Court Displayed Beauty and Elegance

Tigers Play Season of Close and Exciting Games

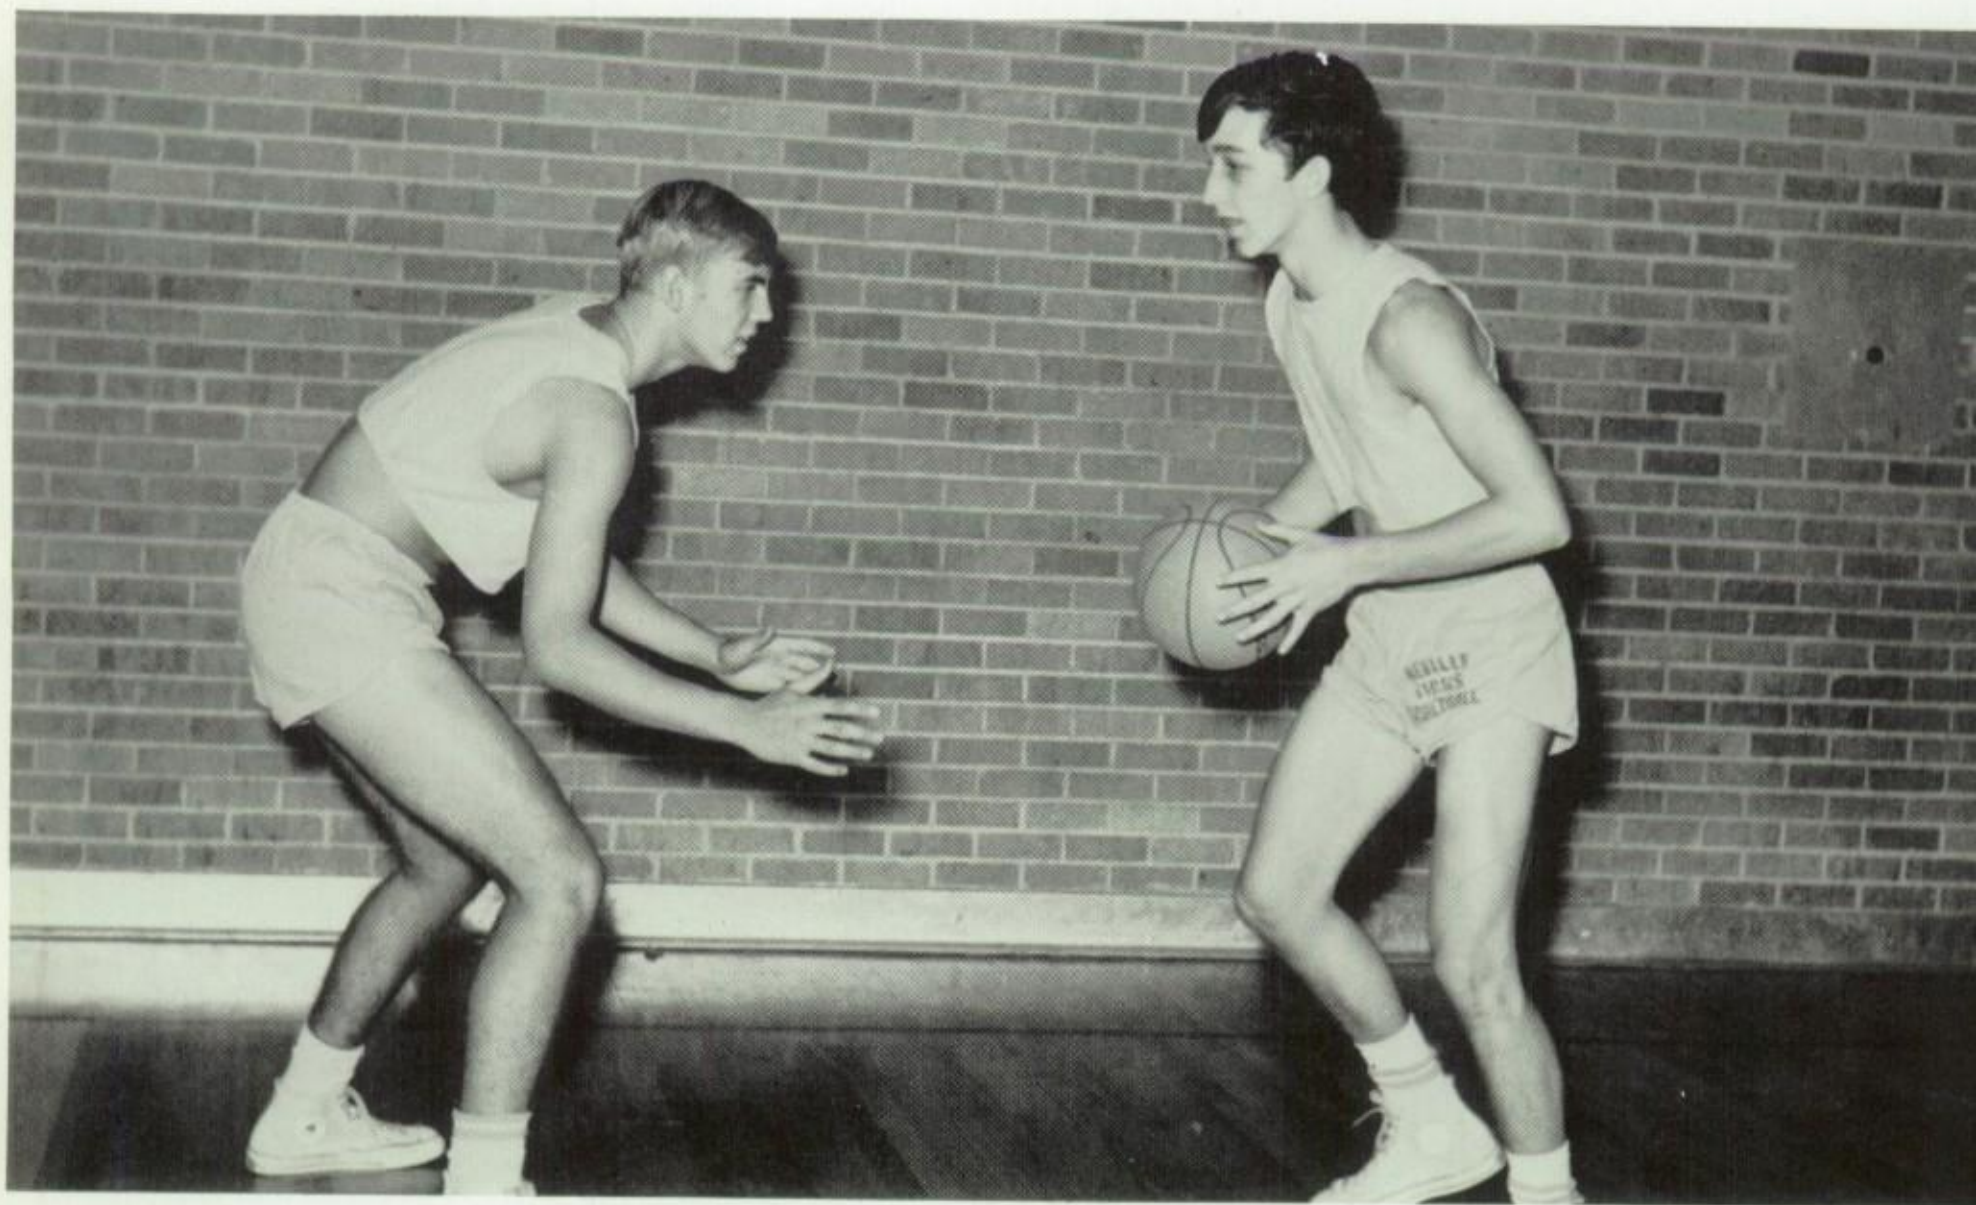

The Tiger basketball team, under the direction of Coaches Billy Pee and Larry Reeves, struggled through a rough and exciting season to come out a winning combination. Many of the district games were either won or lost by one or two point margins.

The Tigers opened their season moving rather slowly, but it was not long before the fire caught on. Gaining more support from the Tiger fans, the team won eight out of the next nine games. The Tigers took the first place trophy in the Bastrop Tournament by beating Oak Grove, Wossman, and West Monroe. Jim Scruggs was awarded the Most Valuable Player Award.

The annual Neville Tournament was as successful as ever. The Tigers worked their way to the finals by beating St. Frederick's and West Monroe but were beaten in the last game by Bastrop.

Kyle Jones muscled in for the score.

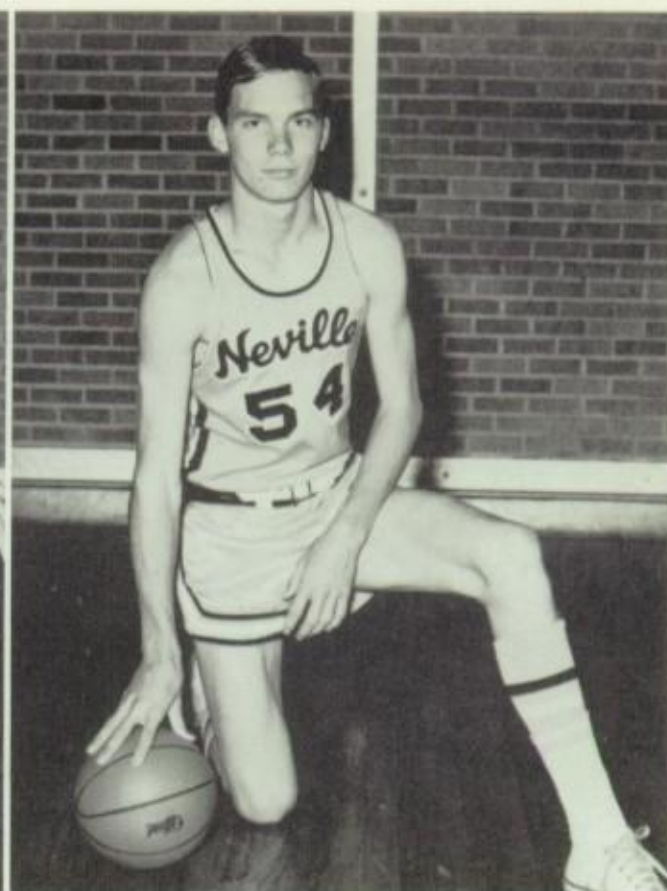

Mike Lary and Jimmy Scruggs worked hard to master the fundamentals of basketball.

Tigers Break State Record in Mile-Relay

The Neville tracksters sped through a victorious season in 1969 under the direction of Coaches Buck Stewart and Sonny Smith. The Tigers met their first success by capturing the first place title in the Shreveport Relays. The team then traveled to Bastrop to place second in the Ram Relays. In the next contest, the Bolton Relays, the Tigers dropped to a distant fifth place.

The highlight of the track season came when the Tigers collected sixty points to claim the first place award in the annual Neville Relays. Awakened by their low place in the Bolton Relays, the Tigers were at a fever pitch. The team was so hot that the Tigers aroused the sports editors of the local newspapers

who had favored Natchez in the relays. When the final event was about to begin and Natchez and Neville were tied, the fine mile-relay team composed of Joe Davis, David Grantz, Donnie Wallace, and John Cale broke the deadlock by setting a new state record for this season of 3:25.5. Big John Cale, who ran a meet record of 14.4 in the highs and won the low hurdles in 19.5 to tie another mark, received the Outstanding Track Man award. In the field where Neville was not so strong, Sonny Jeffrey added to the Tiger strength by winning first in the discus. With Joe Davis' performances behind Cale in the hurdles, the Tigers enjoyed the success of their meet.

Still hot on the tracks, the team traveled to the Rebel Relays to gain first place. The Bengals brought the season to an end by winning three second place awards in the Northwestern, Ouachita, and District 7-AAA Relays.

The Neville track squad that entered Graduate-N-Club Indoor Track Meet were as follows: Chuck Penn, Donnie Wallace, Steve Pearce, Roy Cole, David Grantz, John Cale, Mark Williams, Joe Davis, John Massey, and J. J. Dixon.

Donnie Wallace, David Grantz, Roy Cole, and Joey Michel on the 440 relay came up with a time of 43.7.

The 880 relay team composed of Donnie Wallace, David Grantz, John Cale, and Roy Cole ran their best race at a 1:29.4 pace.

Tigers Surprise Favored Teams by Snatching Relay Prize

Watching their Tigers place first in the Neville relays were members of the court, elected by the team.

The discus championship of the relays went to Sonny Jeffery.

The Ouachita entrant nipped Wallace in the 100-yard dash.

Competitors in both the low and high hurdles were Cale and Davis.

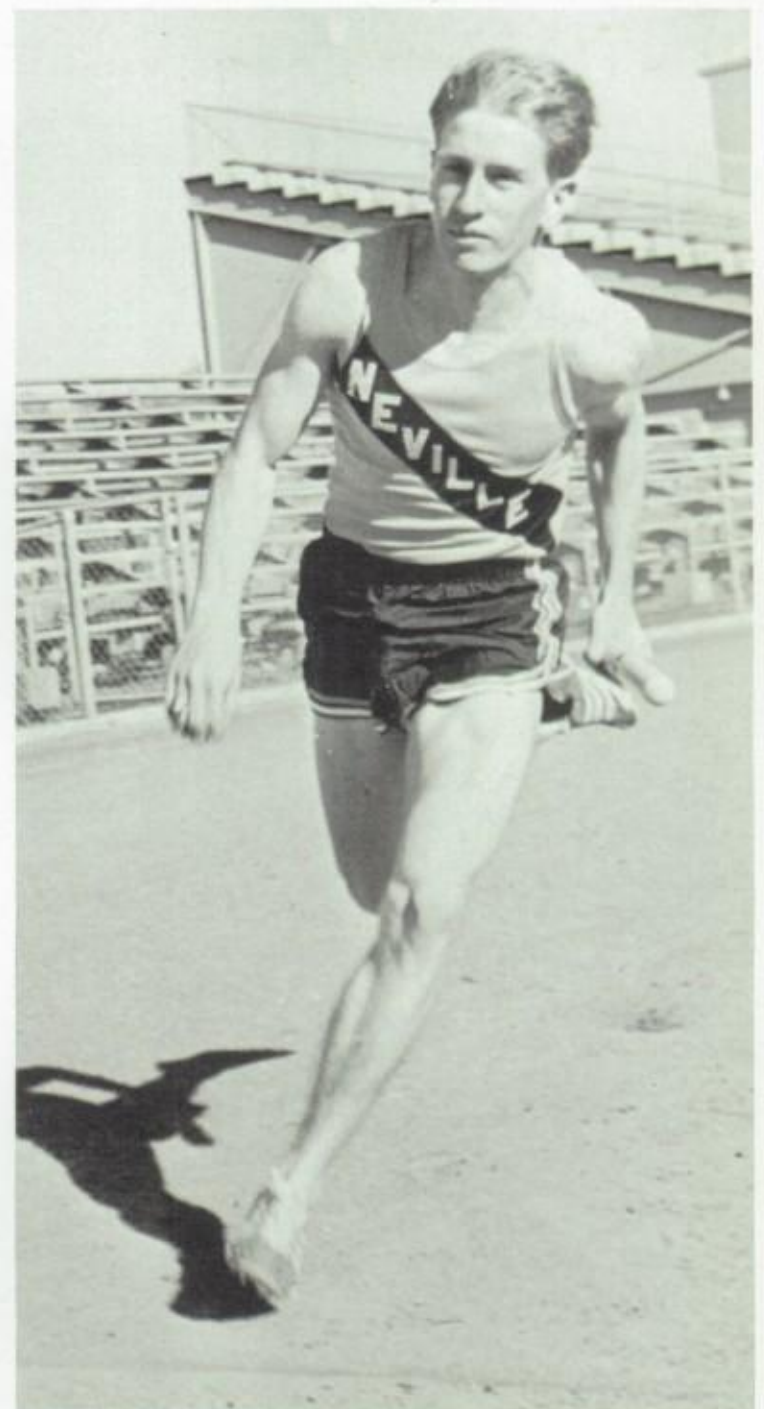

On the last leg of an upset of the talented Natchez mile-relay team, Joe Davis handed the baton to anchor man David Grantz.

Wallace anchored the 880 team to the 7-AAA championship.

The Tigers added points by placing one-two in the low hurdles.

The coaches named David Grantz outstanding relay performer.

Lee (hus),
Art really had to be the most
year. It was really great. I don't
think it would have been the same if
we had not had it together. We don't
have luck, but four more days Great.
Good to do. Stay the good guy that you
are now. Do try to stay out of trouble
next year in college.
A friend always!
